A Note from Baker:

Baker's Pizza is grateful for all the support you have given us over the past 16 years. I thank God that I chose this area to relocate. I'm going to be in business until September 2020. Hopefully someone local will continue Baker's Pizza. We use low fat, part skim milk Mozzarella cheese; the best money can buy. This is a healthy cheese endorsed by the American Heart Association.

You expect quality and my purpose is to give you the best product I can by never skimping on toppings or quality. Our customer service is improving and everything is made fresh. When we are overwhelmed, your patience is greatly appreciated. I will never compromise on quality. My team is dedicated and works extremely hard to meet the needs of our customers. I personally want to thank you and say that any problems that you have I would like to know about. Call me anytime at 205-853 8035! I want and need your business!
